PROFESSIONAL PROFILE

Senior Account Manager at Freshworks with 4+ years in sales and account management across enterprise, strategic, mid-market and SMB accounts. Combines a computer science background with end-to-end sales, account planning and consultative customer engagement. Experience spans India/APAC and North America, with a current focus on retention, renewals and expansion.

CORE CAPABILITIES

Customer retention and renewals | Account expansion | Consultative discovery | Territory and account planning | Executive engagement | Pipeline generation | Multi-threaded prospecting | Negotiation and closing | Cross-functional collaboration

PROFESSIONAL EXPERIENCE

Freshworks | Senior Account Manager

Nov 2026 - Present
Chennai, India | Existing-customer account management

- Manage existing-customer relationships with a focus on retention, renewals and account expansion.
- Partner with a dedicated Customer Success Manager to understand customer priorities, strengthen relationships and identify new business within existing accounts.

ServiceNow | Account Management - Enterprise & Strategic Accounts

Aug 2025 - Nov 2026
Manufacturing | Enterprise and strategic accounts

- Generated $10M+ in qualified sales pipeline through outbound prospecting, executive engagement and account-based selling.
- Executed territory planning, account mapping and multi-threaded engagement across enterprise manufacturing and retail accounts, including Godrej, TVS Motor Company, JSW, Mahindra and L&T.
- Worked with account executives, solution consultants and partners to develop relevant customer conversations and progress high-value opportunities.

NielsenIQ | Account Management - Retail & CPG

Sep 2024 - Apr 2025
India and APAC | SMB and mid-market

- Built approximately $350K in sales pipeline and achieved 120% of target in Q4 2024.
- Prospected retail and consumer-goods accounts for retail measurement, consumer intelligence and market-insight solutions.
- Used market and category research to personalise outreach, engage commercial and insights stakeholders, and collaborate with sellers on opportunity progression.

ANANDA RAJ NADAR

Earlier experience and qualifications

Freshworks | Account Management - North America, SMB

May 2023 - Aug 2024
SaaS | Customer service and IT service management

- Managed inbound and outbound sales conversations with North American SMB customers for Freshdesk, Freshchat, Customer Service Suite and Freshservice.
- Led discovery, product demonstrations, qualification, commercial discussions and deal closure; used MEDDPICC and BANT to assess fit and progress opportunities.
- Selected wins included an omnichannel customer-support engagement at $538 MRR and an ITSM engagement at $2,000 MRR.

Blockchain App Factory | Account Management - ANZ, SMB

Feb 2023 - Apr 2023
Technology services | Australia and New Zealand

- Managed sales conversations for blockchain-based IT services, translating customer requirements between clients and technical teams.
- Supported solution discussions spanning ICO, STO and IDO dashboards, NFT marketplaces and DeFi exchanges, with a focus on long-term client relationships.

Skill-Lync | Inside Sales Executive

Feb 2022 - Jul 2022
EdTech | Inside sales

- Built prospect pipelines through approximately 150 cold calls per day, product demonstrations, and structured email and WhatsApp follow-up.
- Handled discovery, negotiation and conversion while maintaining prospect and opportunity records in CRM.
